Testimonial

The shadow teaching course went beyond what I had anticipated. The faculty's extensive experience was apparent in every session, providing practical insights that can only be gained through years of experience. The immersive structure enabled in-depth learning within a short period, making it exceptionally beneficial for those seeking a this in demand career.

Vibha Kamdar, (Student)

Parenting a child with special needs was challenging until I took this shadow teaching course. The faculty's expertise in inclusive education, differentiated learning, and assistive technologies impressed me. Now, I have full confidence in my supporting my child's education.

Anne Mascarenhas (Parent Student)

The shadow teaching course was exactly what I needed in my career. The faculty's expertise was evident in how they tailored personalised guidance while maintaining rigorous professional standards. It was the most valuable professional development I've experienced.

Fariha Lalani (Student)
